(See 45 CFR 92.35.) States must include a similar term and/or condition for all sub-awards or contracts awarded under this program. Prior to issuing subawards or contracts under this grant, the state must consult the ineligible parties list to ensure that organizations under funding consideration are not ineligible. The list is available on the Web at <http://www.epls.gov>

These include grant administrative requirements and cost principles according to recipient type. For example, nonprofit subrecipients are subject to the cost principles at OMB Circular A-122; educational institution subrecipients are subject to those at OMB Circular A-21; and commercial organization vendors or subcontractors are subject to the cost principles under 48 CFR Part 31.

12) States must ensure that sub-recipients and sub-grantees expending more than \$500,000 or more in Federal awards during the sub-recipient/sub-grantee's fiscal year have an audit in compliance with the requirements of OMB Circular A-133.
